# Who We Are

## Background

We are part of Lions Club International – the world's largest service organization. The Corvallis Lions have been serving since its founding in February 1925! We serve where we live, right here in Corvallis.

## A Call to Action

in 1925, Helen Keller challenged Lions, at the Lions International Convention, to become Knights of the Blind.

Her words struck a deep chord. From that moment, Lions Clubs International embraced vision care as a core mission—becoming global leaders in blindness prevention, eyeglass recycling, vision screenings, and sight-saving surgeries.

Today, we honor that call, visiting local schools for vision screening, helping people in need purchase eyeglasses and collecting old eyeglasses from our drop-boxes across town for reuse.

Join us in the crusade against darkness!

*"I appeal to you, Lions—you who have your sight, your hearing, you who are strong and brave and kind—will you not constitute yourselves Knights of the Blind in my crusade against darkness?"*

—Helen Keller, 1925
